DECLARATION OF COMPLIANCE

Hereby we,

SANLEV S.A.
Thessi Tzitzili, 19300
Aspropyrgos, Attikis
Greece

declare under our own responsibility that the product **ALUMINIUM PROFILES** fully complies with Regulation (EC) № 1907/2006 of the European Parliament and of the Council of 18 December 2006 incl. Annex VI to X dated 24th of March 2022 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals REACH, which is valid since June 1, 2007, and we cover the legal requirements as follows:

- *SANLEV S.A. declares that it assumes its duties as required by REACH.*
- *Our company purchase raw material - aluminium alloy from approved manufacturers and, through extrusion process, produces aluminium profiles. The manufacturing process does not change the chemical composition of the alloy. It defines our role under REACH - a downstream user.*
- *Our obligations are to require SDS (Safety Data Sheet) from the manufacturer to ensure that the aluminium billets don't contain hazardous components specified in the regulation.*
- *Movement of material (aluminium alloy ingots) is as follows: manufacturer - a downstream user (producer - SANLEV S.A.) - to customers and downstream users.*
- *All deliveries of aluminium billets are accompanied by an inspection certificate content the percentage of all the substances in the alloy. Quality certificates are stored and used for evidence of conformity of the manufactured profiles with the requirements of the relevant standards.*
